Continuation of 4(e) Other:

In the M.P.E.P. rule 37 C.F.R. 1.121 states:

Each amendment document that includes a change to an existing claim, cancellation of an existing claim or addition of a new claim, must include a complete listing of all claims ever presented, including the text of all pending and withdrawn claims, in the application. The claim listing, including the text of the claims, in the amendment document will serve to replace all prior versions of the claims, in the application. In the claim listing, the status of every claim must be indicated after its claim number by using one of the following identifiers in a parenthetical expression: (Original), (Currently amended), (Canceled), (Withdrawn), (Previously presented), (New), and (Not entered).

In the instant set of claims, claim number 25 is given the incorrect status identifier of "Original" when it should be "Withdrawn."  
This claim was withdrawn as part of a species election made stated on page 2 of the Office action dated January 24, 2006.
